### HPP Program Disclaimer

- Scheduled Services must be performed within + or - 2000 KM of the recommended interval.
- The program tolerance at the end of the 36 month period is 3 days.
- Incomplete services are not reimbursed or performed out of schedule.
- HMC can change or modify HPP program as necessary to update to the most current maintenance schedule (I.E Switch to synthetic oil, would require less visits).
- The program contains the described scheduled running maintenance activities. Does not include torque adjustment on wheels, chassis and body mounting bolts, replacement of belts or any rubber hoses or other wearable items.

**All terms and conditions of these programs are subject to change at the sole discretion of Hino Motors Canada, Ltd.**
