

FAVA Cluster Seating

Dynamic cluster seating with a twist

With seating for 2 - 6 and wheelchair accessible options, FAVA makes sure everyone can comfortably have a seat at the table.

FAVA is welcoming, playful, and virtually maintenance-free. With ample table surfaces in a variety of vibrant High Density Polyethylene colors, Thermally Modified Ash and Ipe wood, FAVA delivers durability to well-used spaces like outdoor classrooms and open-air office lunchrooms, with minimal upkeep required.

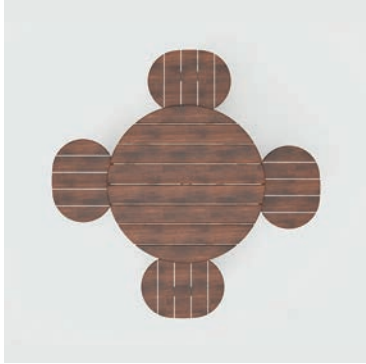

Style and Flexibility

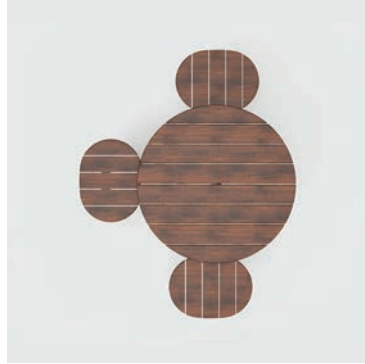

FAVA's distinctive twisted frame supports with style and flexibility. The same frame is used for each model, allowing for adjustable seating configurations. And since active outdoor spaces are always evolving, you can easily swap or remove seats as your needs change over time.

Undeniable Elegance. Unmatched Configurability.

Choose from a variety of FAVA configurations or mix and match to create the perfect arrangement. Designed with ADA compliance in mind, FAVA ensures everyone can enjoy the outdoors comfortably.
