TRIBECA

Inspired by former industrial buildings turned lofts in New York's iconic Tribeca neighborhood, our Tribeca barn door offers functional and industrial charm to your space. This nostalgic design encompasses the contemporary flair of our aluminum black framed design combined with tempered frosted glass panes ensuring privacy while still allowing natural light to enter the room. The space-saving Tribeca barn door is a perfect complement to any décor style.

FEATURES

- Trackless door design keeps floor opening clear and free of hazard for easy entry
- Contemporary 6-Lite and 8-Lite design complements any décor style
- Tempered frosted glass is durable and easy to maintain while ensuring privacy in your space
- Pre-finished lightweight aluminum frame in matte black finish glides easily across the track
- Requires no priming, painting or staining making it quick and easy to install and enjoy
- Frosted glass design provides privacy while allowing natural light to enter the room
- Glass panels are 4 x stronger than traditional glass
