Small Level or 4' Level

WARNING: Drilling, sawing, sanding or machining wood products can expose you to wood dust, a substance known to the State of California to cause cancer. Avoid inhaling wood dust or use a dust mask or other safeguards for personal protection. For more information go to www.P65Warnings.ca.gov/wood.

STEP 1 Measure, cut and prepare the opening

STEP 2 Fit Cabinet into opening

Note: Prior to cutting into the drywall, use a Stud finder to confirm that the minimum distance between studs is 14 inches. Next cut a small 4 inch square hole in drywall to look for obstructions like wires or pipes behind the drywall. It is not recommended to cut an existing stud in the wall.

STEP 3 Secure Cabinet to Studs

STEP 4 Installation Complete

Medicine Cabinet Recessed Mount

5 YEAR LIMITED WARRANTY

Products warranted against manufacturing defects for up to five years from the purchase date. The warranty applies only to the original purchaser of the product.

If a product is determined to be defective due to a manufacturing defect, a replacement product will be supplied. The scope of the warranty is limited to replacing the product and does not include labor required to install, repair or deliver, or any costs related to removing the existing product.

This warranty is void in the event that the product is damaged in transit, or if damage or failure is caused by abuse, misuse, storage of products in an improper environment, abnormal usage, faulty installation, failure to follow installation instructions, damage in an accident, improper maintenance, or any repair.

We reserve the right to inspect any claim prior to issuing credit.
